

APRIL 2013

DEMOLITION OF MELROSE, PEEBLES, & SELKIRK COURTS, BELVILLE STREET, GREENOCK

DEMOLITION UPDATE

Following the successful demolition operation in March, we have been progressing well on site with processing and recycling the demolition materials. We are also in the process of removing the building foundations. These works will continue for the next 3 months or so. Sometimes these works might seem noisy. We are sorry for any inconvenience this may cause to you. We will do all we can to keep the noise and any other disruptions to a minimum.

DEMOLITION SURVEYS

We would like to take this opportunity to thank everyone who participated in our Demolition Surveys and who took the time to give us their views on the service provided by Safedem. We are delighted that so many of you were very happy with the service provided by Safedem.

SITE SAFETY

It is vitally important that you stay well away from the demolition site. Our site fence clearly displays notices alerting passers-by to the dangers of demolition sites, and clearly advises to keep out. We would ask for co-operation from everyone within the community to warn children, visitors etc. to keep away out of the site and to take extra care crossing the roads nearby.
